### Odds and Ends, Volume 11

With Monster Grin's Odds & Ends token packs, it might sometimes be random, but it's always gonna be awesome! Take these 110 unique, artfully designed and detailed figures from across genre and time for instance! If you're looking to add some variation to your game or to your party, be sure and pick up these tokens, which include some stunning characters and creatures that would fit in any fantasy, steampunk, or gamma world game: human and mutant barbarians, fighters, rogues and more!

Utilize Monster Grin's Token Halo System to create different types of teams (red, gold, green, black, silver, or blue), or even different levels of the same kind of creature (i.e. boss, high, medium, or low level) to help keep track of what's what and who's who. Also, with Monster Grin's new Altered States tokens, you can get maximum value from each and every token in this pack and really add that special something to your game!
